

YOUR RESPONSIBILITIES

MAKE A PLAN IN ADVANCE FOR VOTING ON ELECTION DAY!

Know where your polling station is located.

CONTACT THE ELECTORAL OFFICE OF JAMAICA (EOJ) to confirm your polling station:

Telephone: (876) 922-0425-9

Toll-Free: 888-991-VOTE (8683)

or visit the EOJ's website at: www.ecj.com.jm

IDENTIFY A FAMILY MEMBER OR TRUSTED FRIEND WHO CAN HELP YOU VOTE IF YOU NEED ASSISTANCE.

However, the laws states that no single person can assist more than one voter with a disability on Election Day.

TAKE YOUR VOTER'S IDENTIFICATION CARD WITH YOU TO THE POLLING STATION TO FACILITATE THE IDENTIFICATION PROCESS.

If you are unable to locate your voter identification card, you will still be allowed to vote after taking an oath and answering some questions.

AFTER VOTING, DIP YOUR RIGHT INDEX FINGER IN THE INK.

If you are missing your right index finger, the Presiding Officer will indicate which finger you should dip into the ink instead. You then leave the polling station.

WEAR YOUR MASK
and adhere to all relevant COVID-19 protocols.

FOLLOW ALL LEGAL INSTRUCTIONS given by the Presiding Officer at the Polling Station.

DO NOT use your cellular phone inside the polling station.

DO NOT show anyone inside the polling station how you voted.
